RE: Redevelopment Agency Semi-Annual Property Report

REQUESTED ACTION: None. Written Briefing.

RECOMMENDATION: None

BUDGET IMPACTS: None

EXECUTIVE SUMMARY: As directed in the Land Disposition Policy, the RDA provides the Board, not less than semi-annually per fiscal year, an inventory of all Tier 1 and Tier 2 properties.

ANALYSIS & ISSUES: The attached report contains a current inventory of all RDA owned properties. The report includes the description, address, parcel ID, size, zoning, and tier category of each property. In addition, the report details the approximate acquisition date, current category of disposition, interim use, and proposed permanent use for each property.

Notable changes since the last report include the removal of two properties sold earlier this year. The former Paperbox property at 340 W. 200 S. was sold to Paperbox Developers, LLC. for construction of a mixed-use development. The corner lot at 208 W. and 900 S. was sold to Spy Hop to be developed as a youth media center.

TIER 1 REAL PROPERTY DISPOSITION REPORT

Utah Theater Properties - 144 – 158 South Main Street

In accordance with the RDA’s Real Property Disposition Policy (“Policy”) that was adopted on October 18, 2016, the information provided below is intended to serve as the disposition report for Tier 1 property located at 144 – 158 South Main Street (“Property”) in the Central Business District project area. This report provides an update on the developer selection, development concept, purchase and sale agreement, and tentative timeline.

- Property Overview:
 - Acres: 0.89
 - Address: 144 – 158 South Main Street
 - Project Area: Central Business District
 - Property Type: Tier 1
 - Tier 1 Justification: Pursuant to the Policy, the Property is classified as Tier 1 because it is specifically identified in the adopted master plan for the area.
- Current Status: On November 7, 2019, the RDA entered into a purchase and sale agreement (“Agreement”) with Hines Acquisitions LLC and 160 Main LLC (collectively the “Buyer”)
- Developer Selected:

Pursuant to the Policy, the RDA is disposing of the Property via an exclusively negotiated sale to Buyer, as adjacent property owners, to facilitate redevelopment objectives as identified through the project area plan.
- Development Concept:

The project will include a mixed-use tower of approximately 375 feet in height, publicly-accessible open space, public art, approximately 300 residential units, structured parking, and ground and second floor commercial space (“Project”). Main Street will be activated through the incorporation of pedestrian connections, ground-floor retail, and dining options.
- Tentative Timeline:

As part of the Agreement, closing will occur the later of up to 60 days after the completion of a 6-month due diligence period or 60 days after obtaining a height variance.
